PROFILE SUMMARY

As a Computer Science Student, I have developed a strong foundation in programming languages such as Java, JavaScript and PHP. I have also completed coursework in data structures, algorithms, and software engineering, which has prepared me for real-world challenges. With a keen interest in technology, I stay up-to-date with the latest industry trends and am passionate about applying my knowledge to solve complex problems. I am excited to leverage my skills to contribute to the field of computer science and am eager to learn and grow as a professional.

EDUCATION
- Bsc Computer Science, Dedan Kimathi University of Technology
- Expected Graduation Date   June 2024

Relevant coursework
- ◆ Data Structures and Algorithms
- ◆ Web Development
- ◆ Mobile Application Development
- ◆ Software Engineering
- ◆ Computer Networks
- ◆ Database Systems.

- Kenya Certificate of Secondary Education, Koiwa Boy's High(2016 – 2019)
   KCSE Marks:B+ (71 pts)
- Kenya Certificate of Primary Education, Kabomoi Primary School(2006 – 2015)
